### **Experience It! The Northern Lights**

Each year, during the winter months, travelers journey to Finland and venture out into the dark to see the magical but elusive northern lights. This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere, yielding spectacular results. Streaks of colorful light that change from white to pink to purple, and most commonly, to green, dazzle and move the open sky like it's nature's own dance party. It is known that the best time to witness the northern lights in Finland is from late September to mid-April, when the nights are the longest. Well worth the pursuit, this is a truly remarkable light show that's not to be missed.

## Please Note:

### IDENTIFICATION

Passports are required for this tour at your expense. Certain countries require a minimum of 6 months passport validity from date of return home. You are strongly urged to contact the appropriate consulate for details. Visit [www.travel.state.gov](http://www.travel.state.gov) for the U.S. State Department for the latest details about passports and visa requirements.

**IMPORTANT:** We recommend that our clients traveling abroad take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

*Effective for travel after January 2021, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS travel authorization, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>*

Because the northern lights are a winter event, you will be walking and waiting outdoors while looking for them. It is recommended that you wear sturdy non-slip snow footwear and warm clothing including thermals, hat, scarf and gloves. Coaches which may not be lavatory equipped may be used on this program. In this case, stops are made during travel periods. Museum visits and shopping may be affected by observance of religious or local holidays. Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time. The days and order of sightseeing may change to best utilize your time on tour.

Single and triple accommodations are limited and are available on a first come, first served basis.

***Travel with just 16-24 guests on this tour where a smaller group setting means a more personal travel experience.***

This tour is not wheelchair accessible due to Arctic terrain. To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times. Outdoor activities and structures are weather dependent and may be unavailable or rescheduled. Outdoor activities in early November or April may vary depending on snowfall. If there is not enough

snowfall, the husky safari will be substituted for a husky meet and greet and hike experience. The reindeer safari will be substituted with a horse drawn carriage northern lights search.

**\*\*Finnish log cabins (small cabins)** are equipped with 1 double bed, 1 bunk bed, a dining space, two bathrooms (inclusive of sink, toilet and shower), private sauna and private fireplace.

**\*\*\*Glass igloos** are equipped with only a private sink and toilet. A privacy curtain lines the base of the bedroom inside the igloo. Guests will have access to a public sauna house to use the shower in the morning. Overnights in igloos may be on the first night or last night at the Kaksilahttanen Arctic Resort.

\*The northern lights are in the Northern Hemisphere from September through April and are only visible when the sky is clear and free of clouds. **As this tour is weather dependent, sightings of the northern lights are not guaranteed.**

**The overall activity level of this tour is a level 4.**

This means you're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers. Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions. The internal flights on this program are not included in the land price. All air, including internal flights, can be purchased through us. Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

**A deposit of \$500 per person is due upon reservation. Reservations are made on a first come, first served basis. Reservations made after the deposit due date of July 14, 2020 are based upon availability. Final payment due by December 22, 2020. Deposits are refundable up until July 21, 2020.**
